Proposed Footpath Program 2022-2023

I apologise for the delay in response from council on this issue. The Directorate managing footpaths has been finalising the specific footpath plan.

In relation to your query on footpaths in Leura that are included in the 2022 – 2023 Footpath Plan, I can advise:

- Leura Mall – Malvern street to Gordon street and Gordon street to Olympian parade – estimated value - \$200,000
- Lachlan Avenue – estimated value \$500,000

There are also additional footpaths proposed in an application for funding through the WestInvest program. We won't be able to release information on that unless / until that application is approved.

Yours faithfully

A handwritten signature in blue ink, appearing to read "RDillon".

ROSEMARY DILLON
Chief Executive Officer
